

Anything Is Possible

Author : Elizabeth Strout

Free Book Downloads : Anything Is Possible (PDF, ePub, Mobi) By Elizabeth Strout

An unforgettable cast of small-town characters copes with love and loss in this new work of fiction by #1 bestselling author and Pulitzer Prize winner Elizabeth Strout.

Recalling *Olive Kitteridge* in its richness, structure, and complexity, *Anything Is Possible* explores the whole range of human emotion through the intimate dramas of people struggling to understand themselves and others.

Here are two sisters: One trades self-respect for a wealthy husband while the other finds in the pages of a book a kindred spirit who changes her life. The janitor at the local school has his faith tested in an encounter with an isolated man he has come to help; a grown daughter longs for mother love even as she comes to accept her mother's happiness in a foreign country; and the adult Lucy Barton (the heroine of *My Name Is Lucy Barton*, the author's celebrated *New York Times* bestseller) returns to visit her siblings after seventeen years of absence.

Reverberating with the deep bonds of family, and the hope that comes with reconciliation, *Anything Is Possible* again underscores Elizabeth Strout's place as one of America's most respected and cherished authors.

Praise for *Anything Is Possible*

"In Elizabeth Strout's *Anything Is Possible*, her stunning follow-up to *My Name Is Lucy Barton*, a famous author returns to the Midwestern hometown of her childhood, touching off a daisy-chain of stories narrated by those who knew her—memories of trauma and goodwill, resentments small and large, and the ever-widening gulf between haves and have-nots. Strout, always good, just keeps getting better."—**Vogue**

"If you miss the charmingly eccentric and completely relatable characters from Pulitzer Prize winner Elizabeth Strout's best-selling *My Name Is Lucy Barton*, you'll be happily reunited with them in Strout's smart and soulful *Anything Is Possible*."—**Elle**

"Strout pierces the inner worlds of these characters' most private behaviors, illuminating the emotional conflicts and pure joy of being human, of finding oneself in the search for the American dream."—**NYLON**

"We devoured Strout's last novel, *My Name Is Lucy Barton*, and her latest—which is loosely linked to *Lucy Barton*—is no different. Told from ...
