EXTREME RISK (Book 1)

Can two broken people make each other whole?

For attorney Hindley Hagen, life is all about staying one step ahead of the game. Avoiding surprises and keeping people at a distance is the only way she can protect herself from the painful scars of her past.

As legal counsel and sports agent to some of the world's top athletes, she's always ready for a challenge. But when her new client struts in, his familiar blue eyes bore through her facade and threaten her well-planned life. Keeping all his secrets is now her new profession, but if he discovers hers, she might lose everything.

Pro extreme sports athlete Rory Gregor knows what it's like to be on top. But after two years of bad decisions and one-night-stands, he's forced to make a comeback he never anticipated. His team may think a new sports agent will rebuild his career, but what if she costs him his heart in the process?

Just when Rory is poised for a comeback, secrets from his past threaten to ruin his chance for gold and a new love. In the world of extreme sports, sometimes you have to risk it all to win.

EXTREME DEVOTION (Book 2)

But now she's trapped, caught in the snare of a different man playing a deadly game. She must choose-protect the one man who's made her come alive or risk losing everything she's worked hard for, including him.

Trust isn't something that comes naturally to Rory Gregor. Even his achievements as a multi-gold medalist can't wash away the insecurities from an abusive childhood. Hindley's devotion has given him hope, but he still feels unworthy of her love.

As their need to protect one another grows to escalating heights with deadly consequences, will Hindley and Rory finally find the future together they deserve? Or will they discover the one thing that could destroy them both is each other?

Can the spark between two opposites create a lasting fire? Or will it detonate an explosion that leaves them bo...
